<sup>1</sup>Holbach's letter alleges the following:

I have had returned to me the envelope containing the [Request for Waiver of Service and Summons]. The U.S. Postal Service rejected delivery due to "defaced postage stamps" in the amount of \$5.20. I have reason to believe DOCR Staff may have deliberate done this to harass and prejudice me. Due to the conditions of my poverty, I cannot acquire sufficient funds to remedy the situation and am now past the due date you set for filing. I have recently had my property destroyed and stolen by other inmates, including 15 postage stamps, which I reported to staff. I have exhausted my finances and will have no funds for some time. There is a delay before I am available for indigent status which equals only \$4.00 monthly. I have the forms completed but will

with the Clerk's directive were thwarted through no fault of his own and he cannot at present afford the postage necessary to submit the requested waivers not to mention documents returned him the by Clerk's office.

In light of the unique circumstances of this case, the court directs the Clerk's office to provide Holbach with self-addressed envelope with prepaid postage. Using this envelope, Holbach is directed to mail all of his documents to the Clerk's office, including his proposed complaint, application to proceed *in forma pauperis*, certificate of inmate account and assets, and requests for waiver of service of summons.

**IT IS SO ORDERED.**

not be able to afford the cost of mailing for several weeks due to these circumstances[.]  
DOCR staff are denying me any assistance in resolution of the problem. I believe they did it! Can you be of any assistance in filing the service of summons forms? I await your response. Again, my mail was defaced and the postal service refused delivery. I believe DOCR staff are sabotaging my efforts to seek judicial relief, because I believe they are retaliating against me for filing complaints against DOCR staff.
